

SHUKOKAI KARATE HERVEY BAY

2005 Student of the Year Award.

MADISON ELLIOTT

Madison has achieved an outstanding year with her study of Shukokai Karate and this includes both her day to day achievements on the dojo floor along with Madison's overall competitive results. 2005 has again seen our club compete at the highest level and on each of these occasions Madison has been there; not only to seek out her own competitive reward; but also to support her karate club.

Madison has achieved outstanding results on the competition arena this year finishing amongst our highest place getters during each of the tournaments she contested. This year Madison competed at Regional, State and International Karate tournaments with her most successful venture being the 2005 Australian Open held in Cairns during August 2005. During this International Karate Tournament Madison secured 3 Silver and 1 Bronze taking the highest individual medal tally for the Queensland State Karate Team.

In addition to Madison's competitive results, during the year I have seen Madison continue to grow and develop into a strong club member and this has included the improvement of her already strong work ethic towards training. Madison has taken to assisting me in running some classes and her desire and willingness to support the karate club in this manner has been greatly appreciated.

I consider that Madison has shown the true embodiment of Shukokai "KARATEKA".

It is with great honour that I endorse Madison Elliott as Shukokai Karate Hervey Bay's 2005 Student of the Year.
