

My Dear Fellow Practitioners,

We here at Bubishi trust that all is well within your respective clubs.

Apologies for the time between newsletters, we have been tremendously busy over the last few months with, gradings, the Martial Arts Expo, visiting head of style training and a regional karate tournament.

MARTIAL ARTS EXPO:

The inaugural Martial Arts Expo held at the Hervey Bay RSL Club on Sunday the 24<sup>th</sup> of October 2004, was a complete and tremendous success. We could not have planned or hoped for a better outcome.

We pack the RSL to the rafters. The martial art demonstrations went over very well indeed with lots of cheering and applause. The audience really took to the many talents on display. The response to the Expo was very rewarding given the many long hours each club put in not only with the preparation of their respective demonstrations, but also putting together the information stalls and having students on hand to talk with members of the audience. We thank channel 7 for their pre and post coverage of the event.

Well done to all of the clubs who participated this year, given not only the positive response received on the day but also the interest still being generated for the "next show" and to be involved, planning for the 2005 Martial Arts Expo is underway. More news shortly on that shortly.
