### FREE PROMOTION FOR YOUR CLUB

To help YOU promote YOUR club we have installed a brochure stand in the store that allows space for A4 size hand outs. If you would like us to be able to refer potential students to your club, you will need to supply A4 size hand outs. I would suggest that you supply one laminated A4 for permanent display and some photocopies to hand out. Remember we get asked daily for contact details for all forms of martial arts and if I do not have the details I cannot give the correct information and you could miss out on a potential student .
